United States

DISMISSED-WITHOUT PREJUDICE

Dear Greg Robinson,

This refers to application, File No. 1723-EX-ST-2020, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. The application is dismissed because NTIA returned and objected to process the application. The applicant provided invalid information. The application contains the station locations with incorrect coordinates and incorrect emission designators. Accurate Coordinates and Operating location are both required on all applications.

Responses to this correspondence must contain the Reference number : 59073

Sincerely,

Anthony Serafini
Chief
Experimental Licensing Branch
