

Atmospheric and Space Technology Research Associates  
WJ2XHR  
Request Surrender of License

Atmospheric and Space Technology Research Associates hereby surrenders experimental license WJ2XHR, and it requests that the FCC cancel the license.

Thank you for granting us this authorization; it is being surrendered because the operations are no longer needed.

Should there be any questions, please contact Anne Cortez, Esq. counsel to Atmospheric and Space Technology Research Associates at 520-360-0925 or [alc@conspecinternational.com](mailto:alc@conspecinternational.com).
