Subject: Request for Info - File # 1075-EX-ST-2020

Message:

Please response to NTIA questions below

- Question mobile station classes and 2 KM radius for Fixed Ground Operations at Vandalia Airport and Galveston, TX. Should these not be Fixed stations?

- We also question why the city and state is not listed the first station and is only listed as Vandalia Airport with the same coordinates as fourth station of Bear Grove, IL. However the exhibit states both as Vandalia Airport in Bear Grove, IL.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 31, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
