GRANT-IN-PART

Dear Sir or Madam:

This refers to application, File No. 3971-EX-R-95 for Experimental Radio Station KO2XAE.

The enclosed authorization shall be considered as a grant of the referenced application unless rejected by a written notice within thirty (30) days from the date of this letter, whereupon the enclosed grant will be vacated. Such rejection should include a statement of the reasons, if any, why the applicant believes that his application should be granted in accordance with the terms requested therein.

You are advised that the Commission was unable to make the finding that public interest, convenience and necessity would be served by a grant of the application in the manner requested. The frequencies 1910 - 1930 MHz are not accepted. The Commission will no longer grant experimental licenses authorizing use of the 1910 - 1930 MHz band, except for applications involving low power, unlicensed PCS devices.

Sincerely,

H. John Morgan
Chief
Experimental Licensing Branch
