

Frequency Coordination Exhibit
Broadcast Sports, Inc.
Special Temporary Authority
File No. 0023-EX-ST-2008
Confirmation No. EL499646
Houston, TX

Broadcast Sports, Inc., ("BSI") has ascertained all users in the subject bands 2180-2188 MHz and 2189-2197 MHz in the vicinity of the Astrodome and is in the process of contacting each to obtain approval for the proposed short term, temporary operation. Should any licensee not consent to the proposed use or if a licensee cannot be contacted, that portion of the band licensed to that licensee will not be used further and until all interference is resolved to the satisfaction of the complaining licensee.
