Dear Mr. Morgan:

Pursuant to Part 5 of the FCC's Rules, Cable Television Laboratories, Inc. ("CableLabs") formally requests that the FCC grant us a renewal of an experimental license to conduct Personal Communications Network (PCN) demonstrations and evaluations. The existing license, file no. 3043-EX-R-94, was issued on January 1, 1994, and expires on January 1, 1996.

As per FCC requirements, our completed FCC Form 405 and an Anti-Drug Abuse Certification along with a check for \$45.00 to cover the filing fee are enclosed. Your immediate attention to this matter is greatly appreciated.

Very truly yours,
