

FCC File Number : 0177-EX-CM-2026

Subject : Request for Confidentiality per 47 CFR 0.459

DENSO International America, Inc.
24777 Denso Drive
Southfield, MI 48033
Tel : (248) 350-750

- (1) Identification of the specific information for which confidential treatment is sought;
All material contained in this application for Experimental Radio Station Authorization
- (2) Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission;
Office of Engineering and Technology, Federal Communications Commission
- (3) Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged;
The material contains DENSO's trade secrets and confidential information that DENSO does not customarily release to the public.
- (4) Explanation of the degree to which the information concerns a service that is subject to competition;
The public disclosure of material might be harmful to DENSO and would give a competitor an unfair advantage in the market.
- (5) Explanation of how disclosure of the information could result in substantial competitive harm;
The public disclosure of material might be harmful to DENSO and would let a competitor introduce equipment, which is more advanced than ours, in the market.
- (6) Identification of any measures taken by the submitting party to prevent unauthorized disclosure;
DENSO will not disclose any information until the sales of equipment starts.
- (7) Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties;
DENSO has not disclosed any information yet.
- (8) Justification of the period during which the submitting party asserts that material should not be available for public disclosure;
DENSO does not have clear prospects on placing the equipment in the market yet.
- (9) Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted.
N/A
