Subject: Request for Info - File # 0347-EX-CN-2026

---

Message:

Hi Travis,

Thank you for reaching out and providing these options.

Since the additional frequency is needed for our testing, we would like to proceed with Option #2. We understand that keeping this frequency on the application means it will be resubmitted for NTIA and bureau review, extending the processing time by approximately 90 days.

Please let me know if you need any additional information.

Thank you for your assistance.

Best Regards,  
Matt Jackson
