Subject: Request for Info - File # 0421-EX-ST-2019

---

Message:

The correspondence requests that the coordinates be verified, inasmuch as NTIA shows that the coordinates specified in this application are some 10 km from the Circuit of the Americas Race Track. We have checked these coordinates and noted that FCC licenses and STAs obtained on behalf of Circuit of the Americas LLC show coordinates that are in fact at variance with those specified in the instant STA application.

The correct coordinates appear to be 30-08-13.0 North and 097-38-21.0 West. This appears to be verified by Google Maps.

We regret the error and will amend the application immediately.
