Subject: Advance Publication Information for a new non-
geostationary orbit satellite system, **ET-02**

Dear Sir:

Pursuant to Article **9.1** and appendix 4 of the Radio Regulations, the Administration of the United States of America is hereby providing advance publication information for the non-geostationary orbit satellite system, **ET-02**. The **API** filing for the **ET-02** satellite system was created with Space Capture **V10.0**.

Included are the following files:

- **ET-02_API.mdb**
- **ET-02_GIMS.mdb**

In addition, we would like to provide the cost recovery billing information under Agency code **862** in the Preface to the International Frequency List (IFL) for U.S.A. commercial operators. Please add the operating agency code and contact information for **EarthTraq Corporation**. to the IFL Preface, Table 12A/12B.

Cost-recovery invoices associated with this satellite system should be sent to:

Point of Contact Name: Maximillian Holliday

Organization Name: EarthTraq Corporation

Address: 936 Cherry St. San Carlos, California 94070-3205

E-Mail: licensing@earthtraq.space

Telephone Number: +1 303 845-0939

We also request that a courtesy copy of the cost-recovery invoice be sent to our administration.

Please acknowledge receipt of this information and thank you for your kind consideration in this matter.

Sincerely,

A handwritten signature in black ink that reads "Max Holliday". The script is cursive and fluid, with the first letters of "Max" and "Holliday" being capitalized and prominent.

Max Holliday, PhD
CEO & Co-Founder
EarthTraq Corporation
