Subject: Additional Information Request

Message:

This is a reply to the requested additional information regarding our application.

Ericsson has held discussions with Federated Wireless and have notified them of our STA. We will coordinate and work with them as well as any other incumbents to to mitigate any potential interference. We would also like to clarify that our planned operating range would be 3.5 – 3.65 GHz.

If any additional information is necessary, please do not hesitate to contact me. thank you, Matthew Hussey
