Subject: Additional Information Request

---

Message:

We've adjusted the frequency band range from 2110-2220 MHz to 2110-2180 MHz and will be using FCC approved radio in this band that conform to all FCC and 3GPP emissions guidelines. The FCC ID for the radio is TA8AKRC161553-1.

If additional information is required, please do not hesitate to contact me. Thank you, Matthew Hussey
