Federal Communications Commission
Experimental Radio Service Renewal
P.O. Box 358320
Pittsburgh, PA 15251-5320

Gentlemen:

Attached are :

1. FCC Form 405 applying for renewal of experimental radio license KE2XMM which authorizes operation of land-based earth stations at temporary locations. The land-based stations are for instant response in emergency situations.
2. Exxon's bank draft for \$45 in payment the filing fees.

The Commission's usual prompt response will be appreciated. Please call Barbara Tyer at (713) 656-1827 if additional information is needed.

Very truly yours,

D E Newman
