Subject: Request for Info - File # 0315-EX-CR-2020

Message:

You submitted the following statement in your application:

"Transmit dish size increase from 2ft to 3ft in diameter. The 3ft dish has a slight increase in gain and produces a narrower main beam as compared to a 2ft dish."

You may not make any technical changes to a renewal application that would alter any parameters on the license. You must allow the renewal to be processed with the parameters that existed on the current license. You may file a request for modification of license after the renewal has been approved. Acknowledge that you understand the above statements.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 04, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
