RE: KF2XHE Experimental License Renewal

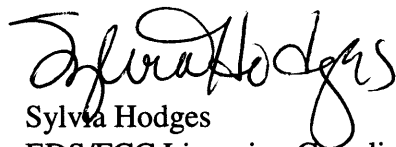

Attached is FCC form 405 for the renewal of experimental license KF2XHE. This form was originally submitted on Feb. 20, 2003 along with form 405 for the renewal of KI2XEA. EDS check number 0013881996 in the amount of \$100 was submitted for the renewal of both of these experimental licenses on Feb. 20, 2003.

The renewed license for KI2XEA has been received, but not for KF2XHE. Per a conversation with Mr. John Kennedy in your office, he has advised that this new form 405 be submitted. The original form 405 for KF2XHE has not been located in your office. Please use this new form 405 to process this renewal.

Please call with any questions or additional information that is needed.

Thank you for your prompt handling of this request.

Sincerely,

Sylvia Hodges
