Message:

We cannot grant an open-ended application for 244 MHz of TV spectrum. You **must** narrow your request down to a channel or two. If you cannot do the necessary spectrum analysis to select vacant spectrum, I suggest you find a broadcast engineering consultant to do it for you.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 20, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
