(Nature of Service)

WB9XVB

(Call Sign)

FX

(Class of Station)

0426-EX-ST-2003

(File Number)

NAME HARRIS CORPORATION

This Special Temporary Authorization is granted upon the express condition that it may be terminated by the Commission at any time without advance notice or hearing if in its discretion the need for such action arises. Nothing contained herein shall be construed as a finding by the Commission that the authority herein granted is or will be in the public interest beyond the express terms hereof.

This Special Temporary Authorization shall not vest in the grantee any right to operate the station nor any right in the use of the frequencies designated in the authorization beyond the term hereof, nor in any other manner than authorized herein. Neither the authorization nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This authorization is subject to the right of use of control the Government of the United States conferred by Section 706 of the Communications Act of 1934.

Special Temporary Authority is hereby granted to operate the apparatus described below:

Purpose Of Operation:

To provide communications assistance to public safety entities combating California wildfires.

Station Locations

(1) Van Nuys, CA, within 40 km of coordinates: - NL 34-12-54; WL 118-29-42

Frequency Information

Van Nuys, CA, within 40 km of coordinates: - NL 34-12-54; WL 118-29-42

Frequency	Station Class	Emission Designator	Authorized Power	Frequency Tolerance (+/-)
2421-2443 MHz	FX	22M0G7W	10 W (ERP)	0.00005 %

Special Conditions:

- (1) Licensee should be aware that other stations may be licensed on these frequencies and if any interference occurs, the licensee of this authorization will be subject to immediate shut down.
- (2) This Emergency Special Temporary Authority is being granted for the period stated in the request, and will not be renewed or extended without prior coordination with the FCC.
- (3) This grant is being conditioned on the receipt of approval from NTIA and may be canceled if objections are received from NTIA.
- (4) This grant is for the current emergency communications as outlined in your request and does not provide authority for development of equipment or services.

This authorization effective October 30, 2003 and
will expire 3:00 A.M. EST December 01, 2003
