

Attachment 1: CPI ASC Signal Division, Inc. Request for Name Change to Kratos Antenna Holdings Division, Inc.

Kratos Defense & Security Solutions, Inc. (“Kratos Defense”) files this Form 442 modification to effectuate a name change for Call Sign WE2XDF from CPI ASC Signal Division, Inc. (“CPI”) to Kratos Antenna Holdings Division, Inc. (“Kratos Antenna”). Because Form 442 does not specifically allow a change in applicant name, Kratos requests that the applicant name for the instant application be changed to Kratos Antenna Holdings Division, Inc.

On June 30, 2020, Kratos Defense completed its acquisition of CPI after the Commission granted transfer of control of the license.¹ Subsequently, Kratos Defense changed the name of CPI to Kratos Antenna. This name change did not effectuate an assignment or transfer of control. Regrettably, due to an administrative oversight, the name change request was not filed immediately. Kratos makes the instant filing to update the FCC’s records and ensure their accuracy.

¹ *Transfer of Control from CPI ASC Signal Division, Inc. to Kratos Defense & Security Solutions, Inc.*, File No. 0106-EX-TC-2020 (June 23, 2020).
