Re: Classified Experimental Radio Station Authorization
Call Sign: KK2XCJ
Declassification

This letter is being submitted to you on the direction and per the request of our personnel located at our Moorestown, NJ facilities. They have advised me the need for classification of the Experimental Radio Station **KK2XCJ** is no longer required. And have requested that I notify you that this authorization no longer needs to be processed as a classified document.

Per our conversation earlier this date, February 4, 1997, I am submitting to you this letter notifying of this fact. If you require more detailed information regarding the change in status of this authorization and it's associated frequencies, please feel free to call me on (410) 682-2156.

Very Truly Yours,
