

7 July 2021

Mr. Ron Repasi
Acting Chief Engineer
Office of Engineering & Technology
Federal Communications Commission
45 L St. NE
Washington, DC 20554
Via Electronic Submission

Subject: Experimental License 0088-EX-CN-2021, Call Sign WL2XOT
Commencement of Transmissions

Dear Mr. Repasi,

This letter serves as notification that transmissions have commenced from the *Shannon* space station to meet Special Condition [1] of Experimental License 0088-EX-CN-2021, Call Sign WL2XOT.

Thank you for the FCC's continued efforts as LYNK continues to prove out and develop this groundbreaking technology.

Best Regards,

Margo R. Deckard
Chief Operating Officer
