Dear Secretary Salas:

Maritime Telecommunications Network, Inc. (A copy of the January 24, 1997, application is attached.) Due to time constraints, the attached certification of MTN is a facsimile copy of the officer's original signature. The original signature will be provided to the Commission as soon as it is obtained.

According to the Federal Communication Commission's Public Notice, Report No. DS-1851 (dated June 12, 1998), the satellites listed below will soon be transferred to New Skies Satellite, N.V. ("New Skies"), a Netherlands company. MTN currently utilizes these satellites to provide shipboard earth station services.
