Attention: Secretary

Subject: RENEWAL OF EXPERIMENTAL RADIO STATION LICENSE
KA2XXC, FILE 7204-EX-R-92

Enclosure: (1) FCC Form 405 with attachment
(2) Letter of Frequency Recommendation from the Aerospace
and Flight Test Radio Coordinating Council (AFTRCC), Control
Number 0012-94, dated 11 March 1994
(3) Check No. 111897 for \$35.00

Gentlemen:

Enclosure (1) submits our application to the Commission for renewing experimental radio station license KA2XXC. By an attachment, we are providing the Commission with the current list of government contract numbers being used under this license. Also included is the required environmental impact statement.

Enclosure (2) forwards the required AFTRCC frequency recommendation for renewing radio station license KA2XXC.

This license is used by an antenna development range located at Gray Butte field near Palmdale, California. Renewal of the license is needed to permit continued development and evaluation of antennas, perform radar cross-sectional studies and other related functions in support of U. S. Air Force and U. S. Navy contracts.

To provide the information needed to effect coordination of the license requirements in the IRAC-FAS subcommittee, the applicant has forwarded a copy of this letter and its enclosures to the offices of the USAF Frequency Management Agency and to the Director, Naval Electromagnetic Spectrum Center. We have also forwarded copies of the application to the Western Area Frequency Coordinator at Point Mugu, California and the Western Regional Office of the Federal Aviation Administration in Los Angeles, California.

Enclosure (2) forwards our check in the amount of \$35.00 to cover the license renewal fee.

Should the Commission require any additional information with respect to our application, please call the undersigned at (714) 229-5157.

Sincerely,

A handwritten signature in black ink that reads "James M. Olson". The signature is written in a cursive style, with the first letters of each word being capitalized and prominent.
