SUBJECT: RENEWAL OF EXPERIMENTAL RADIO STATION LICENSE
KM2XOZ, File 7195-EX-R-95

ENCLOSURE: (1) FCC Form 405 with Attachment
(2) Check No. 161067
(3) Letter of Frequency Recommendation from the Aerospace
and Flight Test Radio Coordinating Council (AFTRCC)

Dear Frank:

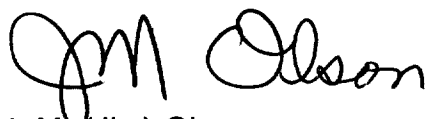

Enclosure (1) submits our application to the Commission to renew experimental radio station license KM2XOZ. This radio station is used for developing and evaluating antennas via scale model techniques as well as full scale and to perform other related functions required under U. S. Government contracts.

By attachment to our application, we are providing the Commission with a list of the current contract number used under this license along with the required Environmental Impact Statement.

To provide the information needed to effect coordination of the license requirements in the IRAC-FAS subcommittee, the applicant has forwarded a copy of this letter and its enclosures to the USAF Frequency Management Center in Arlington VA. We have also forwarded copies of the application to the Western Area Frequency Coordinator at Point Mugu, California and to the Western Regional Office of the Federal Aviation Administration in Los Angeles, California.

Should the Commission require additional information concerning our application for renewal, you may call me collect at (714) 229-5157.

Sincerely,

J. M. (Jim) Olson
Agent for MDC Radio
