Behnam,

We tried to reply back using the "Reply to correspondence" link but got the following message:

The following error(s) occurred while processing the requested page:

There is not a correspondence on file with reference number 44085 and confirmation number EL301905.

In your email, you list the "Reference number 44085" but not the confirmation number. I tried using the one I have but got the error message above.

Below is our response:

Confirmation Number: * EL301905
Reference Number: * 44085

Hi,

please cancel both applications (1646- and 1649-EX-ST-2018)- The idea was to modify existing STA to include other vendors but today after waiting three weeks we finally received a response from Douglas that a granted application can't be modified.

We will be using the originally granted STA (1114-EX-ST-2018) to run our tests.

Thanks for your support.
Hisham
