Message:

Ms. Bette N. Rinehart,

Do you concur to the exclusion of the frequency 416.75 MHz? If not, then please report a phone number (cell phone preferably) and the name of a Stop Buzzer, someone who can cease transmissions immediately should interference occur.

Also, report the times of operation for this frequency and antenna specifications such as direction of propagation if it is a directional antenna, minimum effective radiated power needed (currently you have requested 110 watts ERP) and the minimum radius required (currently you have requested a mobile radius of 80 km).

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 01, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
