

April 11, 2005

Dear Mr. Kennedy

We have attempted to enter Emission Designator 12K5W2E to all requested frequencies. In case we were unsuccessful we request that it should be the only Emission Designator for all bands requested in our application.

If possible please amend application if necessary.

File Number: 0175-EX-ST-2005
Confirmation Number: EL698465

Please feel free to contact me if you have any questions or concerns.

Sincerely

Janelle Viña
