Addressee Redacted

Dear Sir/Madame:

This letter is intended to notify you that pursuant to an experimental license granted on October 12, 2000 designated as Call Sign WB2XJK, Navini Networks is planning to begin testing an experimental wireless Internet access system using MMDS channel F2 (2614 MHz) in Richardson, Texas on October 17, 2001. Navini's experimental system will be located at 32° 50' 5" N Latitude and 96° 41' 34" W Longitude, with an antenna height of approximately 80 feet and transmitter output power of 30 watts.

We are notifying you in the event that you desire to contact us concerning the experimental operation of our system. If we do not hear from you within the next two (2) days, we will assume that you have no objection to our beginning of test operations.

If at any time you believe that our experimental testing may be causing interference to your system, please contact me immediately. My contact information is:
