Subject: Request for Info - File # 0766-EX-CN-2026

Message:

1. Please provide a detailed narrative for your experimental license request.
2. What is the exact application of each frequency request?
3. Please provide Stop Buzzer Point of Contact information.
4. TOWAIR Determination Results

This structure requires FAA notification and FCC registration, based on a check of the coordinates, heights, and structure type you provided. The determination results produced a "fail slope" result, which means registration is required.
