

APPLICATION FOR LICENSE RENEWAL

NBCUniversal Media, LLC (the “Applicant”), pursuant to Section 5.71(a)(2) of the Commission rules, hereby requests renewal of its experimental radio station license WN2XCO for a period of two years.¹ The purpose of this request is to allow the Applicant to continue its product development trial of 5.9 GHz transmission equipment in indoor settings.² The Applicant is qualified under the Commission’s rules to hold an experimental license for this purpose.³

The objective of these operations as well as additional technical details are set forth in the initial license application for this station (File No. 1258-EX-CN-2022), as well as the subsequently granted license modification application (File No. 0195-EX-CM-2024), both of which are incorporated herein by reference.⁴ For the reasons set forth therein, Applicant respectfully submits that Commission approval of this application will serve the public interest, convenience and necessity.

Applicant will immediately suspend transmissions in the event of any actual or suspected interference being caused by its experimental operations. The point of contact for such notifications is as follows:
