Subject: Additional Information Request

Message:

- The values in your GPS link budget are the default values from the GPS Networking spreadsheet that is readily available online. The values should be your insertion loss that's applicable to your infrastructure.
- Your ERP in the application doesn't match the ERP in your link budget.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 01, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
