This correspondence refers to your application, FCC File No.

0059-EX-RR-2007. Since you remain to request apply for CONUS operations,

US Air Force and Army Department had objection FCC grant the license.

However, they have no objection FCC grant a license with frequency bands 8500 - 9000MHz and 9200 - 10200 MHz in Linthicum, Maryland (39 11' 9 N, 7641'19 W). If you'd like to get a license for operations in Linthicum, MD, please respond before COB 08/23/07.
