**Re: FCC Form 442 Application of Northrop Grumman Corporation
for a New Experimental Radio Service Authorization and a Request
for Confidential Treatment of the Application.**

Dear Ms. Secretary:

On behalf of Northrop Grumman Corporation ("Northrop Grumman"), there is submitted herewith, on FCC Form 442, an application for a new experimental radio service authorization under Part 5 of the Commission's Rules. Northrop Grumman is applying for this new authorization in order to fulfill the requirements of its contract with Lockheed Martin Tactical Aircraft Systems (No. 7009042) to construct and test AN/APG-66(V)3 radar systems for use in the Republic of China (Taiwan) Air Force's aircraft. Exhibit I to Northrop Grumman's Form 442 application contains information that has been classified by the Department of Defense as "Confidential". Therefore, in accordance to the instructions for Form 442, Exhibit I will be submitted to the Commission's Security Operations Staff.

Specifically, the information contained in Exhibit 1 has been classified as "Confidential" by the Department of Defense pursuant to Executive Order 12958. This information is exempt from routine declassification pursuant to its X3 status. Accordingly, pursuant to Section 552(b)(1) of the Administrative Procedure Act, 5 U.S.C. § 552(b)(1), and Section 0.457 of the Commission's rules, 47 C.F.R. § 0.457,

Magalie Roman Salas, Esq.
Federal Communications Commission

Northrop Grumman requests that that Exhibit I be treated as "Confidential" for national security purposes and withheld from the public.

Also enclosed is a check made payable to the "Federal Communications Commission" in the amount of \$90.00 to cover the requisite filing fee for the application and the request for confidential treatment.

Any questions concerning this filing may be directed to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'John M. R. Kneuer', with a long horizontal flourish extending to the right.

John M. R. Kneuer
Attorney for Northrop Grumman Corporation
