

Engineering Statement
Paramount Pictures Corporation
Experimental License WP2XCE Van Nuys, California

Paramount Pictures Corporation (PPC), licensee of experimental license WP2XCE, seeks to renew the experimental license by way of File Number 0490-EX-CR-2026. This statement supplies additional information for the processing of this application.

Prior to beginning operation of the WP2XCE facility, PPC established a log to record any operational problems, issues, and concerns. The only entries consist of monthly statements indicating that the system has operated normally during the prior month. Copies of the log are available upon request. There has been no change to the technical operation of the facility, which will continue under section §5.3(h) of the Rules, as displayed on the present license.
