Hi Ben,

Thank you for all your help with the Raytheon licenses. Last week, WD2XKF was renewed, and we appreciate that.

The grant notification was sent to Tom Fagan, which is great. But, as you see below, the automatically generated e-mail noted William Dolash as the addressee. Mr. Dolash has been long retired, so we want to take his name off the license, and I suppose out of the FCC systems. So, my question is this: how do we get all those details updated across the databases we see and the ones that we do not?

In this case, the proper license contact should be Tom Fagan, tjfagan@raytheon.com, 520-794-0227.

This question is cropping up more as I am working also with Mr. Kavalari at Raytheon IIS, where the previous spectrum manager has also retired.

Thanks for any guidance you can provide.

Best regards,

Anne Cortez

Anne, this is addressed to Bill Dolash. He retired many many years ago.
Any idea why his name is still on this?
Tom
