

CONTRACT: DAAB07-00-D-H002

CONTRACTING AGENCY: U.S. ARMY CECOM

This contract is a Firm Fixed Price contract for equipment and services related to the Firefinder product line, which includes the AN/TPQ-37 Radar. These products are for use by the U.S. Army or foreign militaries through the U.S. Government's FMS Program. The U.S. Government presently has FMS cases with Egypt, Singapore, and India for Firefinder equipment and services. Additional equipment and services will be funded under this contract, as they are required by the U.S. Government.

CONTRACT: DAAB07-02-D-H303

CONTRACTING AGENCY: U.S. ARMY CECOM

This contract is a Time and Materials contract primarily for engineering and support services related to the Firefinder product. This contract is presently slated to support U.S. Army Digital upgrade for the AN/TPQ-37 and the modification and test of AN/TPQ-37 systems delivered to Singapore under the U.S. Government's FMS program. Additional engineering and support services will be funded under this contract, as they are required by the U.S. Government.
