In addition, ShawnTech has agreed to immediately cease operations on the Licensed Frequencies should any interference issues arise during the demonstration.

In addition, ShawnTech has agreed to immediately cease operations on the Licensed Frequencies should any interference issues arise during the demonstration.

Verizon Wireless desires to support ShawnTech testing of its technology and, therefore, agrees to permit ShawnTech to use the Licensed Frequencies in connection therewith. Verizon Wireless supports the grant of the associated ShawnTech application for an experimental STA to operate its Correctional Cellular Communications Call Control System for a period up to August 1, 2015 after the grant of the associated application. Verizon Wireless has received a copy of the instant application.

If there are any questions regarding this matter or additional information is required, please contact William Kahler at (817) 693-6858.

Sincerely,

Brian Mecum
