Message:

Coordinations from AFTRCC have been received and uploaded as additional attachments to this application. There was a delay in obtaining the one for the Las Vegas racing event inasmuch as AFTRCC was unable to obtain a timely response from Nellis AFB. Nevertheless, AFTRCC issued a no objection statement with respect to that one venue, which was attached. the other three AFTRCC consents were timely issued and uploaded to the application. This application is now complete and ready for Commission action.
