Regarding: Application for Renewal of Experimental Radio Station License KB2XIE

Gentlemen:

On behalf of SRI International, I am submitting the enclosed Application for Renewal of Radio Station License, Form 405, for renewal of the above-referenced radio station license. The enclosed renewal application and fee are submitted to ensure we are current with all licensing requirements. SRI has operated this experimental facility for 30 years, without incident, conducting research for the U.S. Government.

To assist the Commission in its consideration of this application, the station call signs and file numbers of licenses involved are listed as follows:

<u>Call Sign</u>	<u>File Number</u>
KB2XIE	1288-EX-R-91

If the Commission has any questions or requires additional information for its consideration of this application please contact me at (415) 859-4285.

Yours very truly,

John W. Ciboci
Program Director
Radio Science and Engineering Division
