EXHIBIT ONE

It is the intent of the State of Alaska to utilize the MLink 5000 Inmarsat "M" unit, manufactured by NEC, for emergency communications.

These terminals will be utilized by one of our state agencies, the Alaska Division of Emergency Services, for emergency communications in support of state, local, and federal declared emergencies in rural areas of Alaska.

If further information is required, contact Larry Nakata, Communications Eng. II/State of Alaska at (907)269-5744 or FAX# (907)269-5562/
