Subject: Request for Info - File # 0943-EX-CN-2018

Message:

Provide a 360-degree representation of the space station and Earth station antenna beam diagrams. The diagrams should include the frequency of operation and the gain. The diagrams that were submitted do not depict either.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 28, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
