Message:

Mr. Famolari,

1. The requested frequency band (3.4-3.6 GHz) is the federal government restricted band and any test, research and development of WiMAX equipment within this band for domestic proposes are strongly discouraged unless it is utilized for export and sale outside of the United States. Please specify the "Radio Service" on the application.
2. If there is no need for the experimental STA No. 0030-EX-ST-2008, please concur to dismiss STA No. 0030-EX-ST-2008.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 17, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
