Subject: Application to Modify and Renew FCC License
KB2XSY

Gentlemen:

The attached FCC Form 442 is submitted to modify and renew experimental license KB2XSY which is used for the Installation and check out (I&CO) of prototype satellite transceiver equipment on company controlled aircraft. We are adding a new transmit location.

Your consideration of this proposal will be greatly appreciated. Should additional information be required, please contact Gerry Broerman at (206) 657-6420.
