Re: FCC Experimental License call sign WH2XXS (written consent from DIRECTV/AT&T)

Dear Sir,

With the understanding that Boeing will notify AT&T / DIRECTV in advance when it schedules operations of these RF systems on 17500 MHz as follows:

*Please contact:
Contact: Steve Dulac
Company: DIRECTV/AT&T
Email: spdulac@att.com*

AT&T / DIRECTV provides its consent for the renewal of Boeing's Experimental License WH2XXS application.

Sincerely,

/s/
Steve Dulac
