This email is your AFTRCC coordination.

This coordination includes this header information, DOD Area Frequency Coordinator comments and AFTRCC comments. These messages must not be separated.

This coordination is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that the frequency(ies) is best suited for the applicant's purpose nor that the frequency(ies) is exclusive to the applicant. Flight Test frequencies are shared and may require scheduling with other users.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, agents, members, and representatives from any claims, losses or expenses that may arise from the use of the frequency.

This coordination is not an authorization to transmit. A copy of this coordination must accompany application to the FCC.

Wayne,

DoW AFC NM concurs with CN 1561-26/APP-2026-1788 (Boeing FCC Renewal/TM Testing-WSMR, NM) provided that Boeing schedules their mission as follows:

Operations must be scheduled as a WSMR range mission through their WSMR Range Sponsor. Final authorization to radiate is contingent upon successful scheduling and de-confliction of spectrum with other range operations.

DoW AFC NM tracking number is WS26081802.

Thank you for your patience. AFC NM waiting on response from Boeing and/or WSMR sponsor.

Have a great day.

V/R,

Elizabeth Ramos
