RE: WE2XIE – 0577-EX-CR-2026

FAA coordination for this renewal was submitted on 8/18/2026 under TRK 261502 (NG T261533), TRK 261503 (NG T261534), and TRK 261504 (NG T261535). As of today, all three are still in the “Awaiting Response” status. I will submit the coordinations to the FCC as soon as they become available.

Kindest Regards,
