RE: WG2XDE – 0578-EX-CR-2026

FAA coordination for this renewal was submitted on 8/18/2026 under TRK 261505 (NG T261536). As of today, it is still in the “Awaiting Response” status. I will submit the coordination to the FCC as soon as they become available.

Kindest Regards,

Lynn.M.Brookhaus@boeing.com
