RE: WF2XMG – 0586-EX-CR-2026

FAA coordination for this renewal was submitted on 8/18/2026 under TRK 261515 (NG T261546). As of today, it is still in the “Awaiting Response” status. I will submit the coordination to the FCC as soon as it is approved.

Kindest Regards,

Lynn.M.Brookhaus@boeing.com
