Re: University of California, Berkeley  
Application for New Experimental Radio License  
Berkeley, CA  
940.525 MHz FX, 901.66875 MHz MO

To the Commission:

Resubmitted herewith, as instructed by FCC staff, is an application on FCC Form 442 for a new experimental radio license for the University of California, Berkeley. This application was originally filed on May 24, 2000, under File No. 0117-EX-PL-2000, but was apparently deleted from the FCC's database due to a computer problem.

We understand that FCC staff will apply the previously submitted filing fee to the subject application.

If you have questions, please call me at (202) 719-7235.

Respectfully submitted,

/s/
