Subject: 1790-EX-ST-2026 pre-coordination data request

---

Message:

Application is for low-power indoor-only devices that do not operate in the national air space. Use of the 5.18-5.85 GHz band is consistent with low-power client devices in Section 15.407 of the Commission's rules and experimental authority sought here is prior to completion of equipment authorization. Transmitting component is equipment certified (FCC ID: PD9AX210NG).
