Federal Communications Commission

Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21046

Subject: Cover Letter for FCC application for Certification of FCC ID: C3K1640

TO WHOM IT MAY CONCERN:

This Model 1640 is a 2.4 GHz wireless input device operating in FHSS mode. It is a self-contained device and receives power from an internal lithium cell. It communicates with a base station which will be certified separately.

This is to seek an original certification on Model 1640, as compliant with FCC 15.249.

Sincerely,

A handwritten signature in blue ink that appears to read "David Johnson".
